

# Stand up for Peace Along Mass Ave From Boston to Lexington

**March 15<sup>th</sup>**  
10:00 am to 12 Noon

Paul Revere rode along Mass Ave. in 1775 to protect liberty from the Tyranny of King George the Third.

Today, we stand for those same democratic ideals now under attack from a new King George, who wages war thousands of miles from home while neglecting the needs of our own neighborhoods.
